Title : Regarding need to ensure that all issues should be discussed in a constructive and dispassionate manner.

MADAM SPEAKER: Hon. Members, before we take up the next item, that is, the discussion under Rule 193 on the Report of the Liberhan Ayodhya Commission of Inquiry, I would like to make a small observation.

Hon. Members, as you are aware, the issue that we are now going to discuss is politically and emotionally sensitive. While this forum is meant for discussing issues, it is our duty to ensure that all issues are discussed in a constructive and dispassionate manner. I would, therefore, urge upon the Members to participate in the discussion on this emotive issue without hurting the sentiments of one another and avoid alleging anything against any person who is not present in the House to defend himself. I hope that the discussion will be held in a manner that enhances the dignity of the House and its Members.
